

CODE OF CONDUCT FOR COACHES/OFFICIALS AND COMMITTEE MEMBERS

We believe in the power of competitive netball to help players acquire skills, values and attitude which will enhance their development, create aspiration and encourage inclusion.

We aim to generate a lifelong enjoyment of sport and physical activity placing emphasis on effort, attitude and techniques over outcome.

We will work together with all our members to ensure that the club`s reputation is for fair play and good sportsmanship.

We believe that netball is more than just a sport; it is our best moments, our closest friends and is to be enjoyed by everyone, no matter what their ability or age.

In our capacity as coaches, umpires, team managers or committee members, we will:

1. Be a positive role model for netball by acting in a way that promotes fairness, consideration and honesty
2. Display high standards in my language, manner, punctuality and preparations to ensure that all the time we spend together is a positive experience
3. Exercise care and skill when carrying out my duties, including keeping up to date with the latest developments and practices
4. Be consistent, independent and demonstrate complete impartiality to enforce the rules of the game fairly
5. As a coach, seek to inspire and motivate in accordance with each individual`s abilities to enable them to play to the best of their ability and to realise their potential
6. To provide a planned and structured training programme appropriate to their abilities and goals by ensuring equal attention and opportunities available to all.
7. To be mentally and physically fit to carry out individual roles within netball and the club
8. To ensure the training and/or competition environment is safe and appropriate for the age, physical and emotional maturity, experience and ability of all
9. Ensure that I follow instructions and comply with all health and safety regulations that apply to the role I am undertaking
10. We will uphold the values written in our Mission Statement
